We are now hiring ASME Code Vessel Welders for both our Midland, TX and Casper, WY locations!

Granite Peak Fabrication's purpose is to design and build the best processing equipment in the oil and gas business! Our team is committed to providing superior quality products and services, delivered on-time and at a competitive price, all while fostering long-term relationships with our customers. We specialize in ASME Code and Non-code Vessels, LACT/meter skids, water transfer/salt water disposal units, and other custom designed equipment to meet our customers' needs. We are a fast-growing company seeking to build and sustain a culture that both values and recognizes hard work and superior performance, fosters a team-first mentality, and attracts and retains great people! We offer competitive pay and opportunities for growth.

We have both Day and Night Shift openings for this position!!

We offer a \$3000.00 sign on bonus for (Day or Night Shift). \$500.00 paid out at the end of each month for the first 6 months.

We offer competitive pay and we cover 75% of health insurance premiums!!

Starting wages average \$35+ an hour depending on experience.

For nights, we offer a \$6 dollar per hour differential as well as \$1000 monthly bonus for up to 2 months!!

At Granite Peak Fabrication you will have 3 weeks of paid time off with a full week up front!!

We also offer an employee referral program for all employees that pays out up to \$750.00!! Employees are eligible for a \$250 bonus for referring any new employees after the first 30 days of employment and an additional \$500 dollars after the referrals 60th day of employment.

We offer company provided uniforms, 401k with company 4% match after 6 months, annual boot and safety glasses reimbursement programs, new grinders provided annually, bonus programs, and Employee team building events!

Candidates must be able to pass a 6G weld test with GMAW and FCAW and have basic tools.

To apply please stop by our shop at one of our locations listed below or email hr@granitepeakfabrication.com.
